I gotta make new friends...

Don't remember a goddess thing... Typical!!

NOR, IN THE RARE CASE, CARED..

TA-DA-DA-THAT'S ALL FOLKS!

*Thank you very much for picking up this book.
With all of the warm support I've received, I was able
to release this first volume without any problems.*

*But, for those of you who are saying "I've never
read anything about the Sangoku-Shi, SHI-O-ZA-KI!!"
or "To use such a minor place like Go as the setting
for this is not enough for a Sangoku-Shi fan like
me, SHI-O-ZA-KI!!", I apologize. I plan to introduce
more major Toushi...and make things easier to
understand from here on.*

*In any case, I plan to devote myself even more from
now on, and I appreciate any and all kind wishes.*

Canbare!! Studio Y's

Blown by a gentle breeze

Lingua! Love says: "Canbare!!" (Can-bare-ee) is used when you are cheering someone on. Directly translated, you are ordering/commanding someone to do their best!
